

Clarkston Community Garden

General Meeting

Minutes of October 21, 2021

Attending: Richard Adams, John Freeman, Carol Hammond, Janie Roberts, Ken Roberts, Linda Starace

Bank Balance: From Statement

Checking: \$8,436.36

Savings: \$1,464.84

Meeting this month is at Carol Hammond's house, 1017 Washington, Clarkston. Our next meeting will be held at the Clarkston United Methodist Church, 1242 Highland Ave., Clarkston in March, 2022.

We had our first annual Harvest dinner at the Garden last Saturday. We had sixteen people attending. Lots of good food.

John and Ken will go down to the concrete block place to find out when he will be delivering blocks for the new raised beds.

Linda would like to transfer more money into the savings account.

We will need to order plastic for the green house at Carol's. This should be around \$400. We will need row cover for the squash and purchase diatomaceous earth to help control the squash bugs.

We should know about the grant for the shed in the middle of November.

Motion: Suggested by John, seconded by Linda

We buy three panels to replace the ones that caved-in next to the Master Gardener demo garden.

Our next meeting will be held at the Methodist Church on March 17, 2022. The side entrance is the closest to the meeting room. This will be the room at the top of the stairs. Hope to see everyone there.
